Employee Experience Solutions.

Poll Plugin.
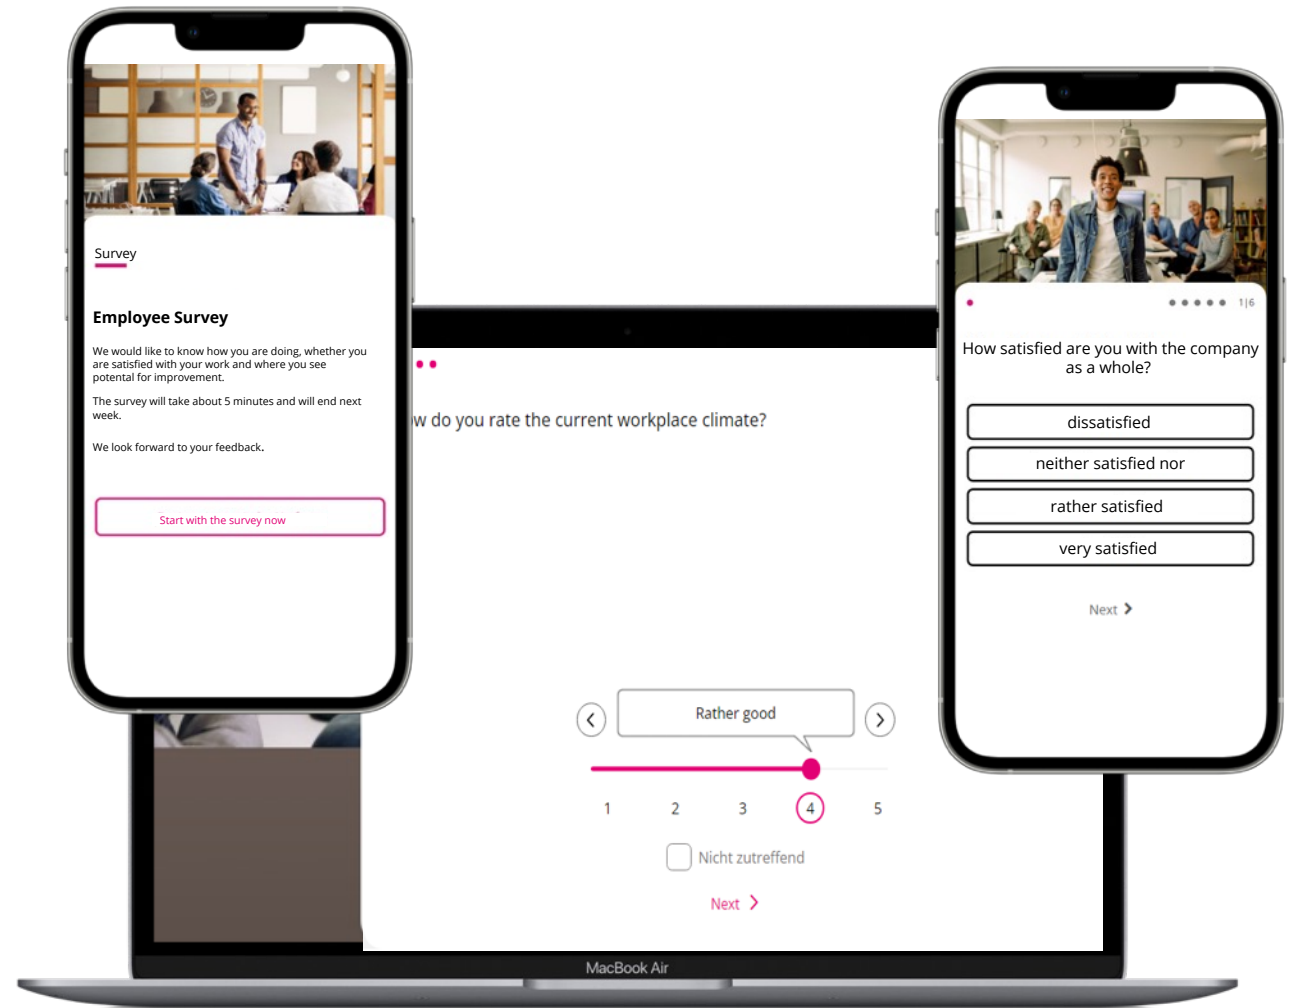

Release Notes Version 3.1

Plugin Poll.

Use case

Employee opinions and feedback are the be-all and end-all for a company - this is the only way to drive change and improvement. From **large employee surveys to quick pulse surveys** - quickly implemented thanks to the poll plugin.

Features

- Eight question types: free text, number, button, slider, single selection, multiple choice, ranking, rating incl. option to abstain
- Anonymous and one-time participation on request
- Real-time results at the end of the survey
- Comprehensive CSV export for optimal evaluation
- Optimized for desktop and mobile use

Technologies: Haiilo ○ Staffbase

Release Notes – Poll 3.0 - Overview.

IMPROVEMENTS

- Pause/resume a poll

FIXES

- No analysis results for anonymous polls

01

Improvements.

Improvements**.**

Pause/resume a poll**.**

If you do not complete a survey in one go, the next time you open it you will be taken straight to where you left off.

02

Fixes.

Fixes.

No analysis results for anonymous polls.

The results of anonymous polls were no longer displayed immediately after the poll was completed. This bug has been fixed!
